Auto Body Repair & Paint Certificate Program Facts

Q. Why choose this training program?

A. The auto body repair and paint program is designed to prepare students for a job that will lead to a career in the auto service industry, as an auto body technician, auto painter, painter's assistant (taping & masking), Insurance appraiser - auto damage, Cleaners of vehicles & equipment or parts clerk. There will always be a need for automotive technicians. The materials will change with the Green Initiatives, but the need for vehicle repairs has a very stable and promising future for jobs or starting your own small shop.

Q. What benefits do participants receive?

A. Every participant will have the skill sets needed to get a job in an auto body or dealership repair shop.

Q. What benefits make this training program different from others?

A. This program provides 1 semester; 105 hours of hands on training, a certificate of completion and 3 credits from City College of SF (CCSF), Muni Fast Pass transportation stipends for 4 months, \$1200.00 OJT stipend (to purchase the necessary tools, air tools and materials) auto body repair persons or auto painters need to complete their job, a guaranteed placement at a commercial auto body shop for 90 days, and placement assistance once the OJT program is completed.

Now enrolling for the fall Semester
August 18th - December 18, 2009.
